“ I remember Bill growing up and then didn't see my cousin so much later in life, until his car shows in Staunton. So glad to reconnect with him and his family. Gladys, my deepest sympathy to you and your family. Billy was such a story teller, he would make me laugh so hard. You could tell what a good man he was. He reminded me of my granddaddy Campbell.

“ During our life's travel we cross paths with a SPECIAL PERSON. Bill was one of these people. His faith in GOD will never be forgotten. He made his mark upon so many people during his time here on earth. His testimony and faith in GOD made an impression upon me that I will never forget. We continue to pray for his family and loved ones during this hard time. May GOD comfort each one during this time.

“ Gladys and family,I am so sorry to hear about Billy. He was a special friend to Bobby and me. Of all the trips we took, the best times we shared together were when we came to visit and our riding around in the country and visiting with you all. We laughed so much and the bond that Bill and Bob had was like brothers. The last time I talked to him he told me that he would give Bobby a hug when he got to heaven. I could go on and on with the stories of good times. Gladys, you and your family are in my prayers.
